Thanks, Molly. I'm attaching another draft (EPA's 3rd internal) draft incorporating comments from Region 6 staff. The minor edits include correcting some of the Chapter numbering and Chapter references, and correcting "Respondents" to "Respondent." The substantive edit can be found in Paragraph 10, third sentence (Findings of Fact). Again, R6 management has yet to review and approve.

We're still working on comments to the proposed SOW and will get back to you on that.

Ed,

Here is a draft Statement of Work, and like your draft AOC, not reviewed by client, but gets us started.

What time works for a call?

Best, Molly
